B. Delete Article 18 of the 2011 Order

C. Delete Article 46 (i) from Part 4 Exemptions

D. A further definition was added to the Order as follows:

“Pay by phone technology scheme” Means a park and pay by phone scheme, which allows a driver to make daily payments to park at designated car parks. This requires the driver to pay by phone to park in designated car parks each car park has its own unique code, the driver must select the code for where they have parked and enter the vehicle registration number of the car they are parking. An administration fee is charged per booking. A driver can make daily payments or for up to a month in advance in a block.

E. The definition of “relevant position” was amended with the following:

(b) in respect of a vehicle displaying a pay and display ticket, season ticket, parking permit or parking disc except for where indication of participation in a scheme of approved methods of payment by phone has been used.

F. The definition of “expiry time” was amended with the following definition:

“expiry time” is the time indicated on the pay and display ticket or as indicated by the confirmation given by the pay by phone technology service and is the time by which the vehicle must leave the parking place

G. Article 32 of the Order was amended with the addition of:

The person in charge of a vehicle or trailer, upon parking the vehicle or trailer in a parking bay, shall immediately ensure that a pay and display ticket is purchased from a ticket machine situated at that parking place except where the driver is part of the pay by phone technology scheme and has paid for parking by phone for that vehicle in that parking place at the level of charge and for the period required in accordance with the scale of daily charges at that parking place.

H. Article 33 of the Order was amended with the addition of:

(iii) except where the driver is part of the pay by phone technology scheme and has paid for parking by phone to cover that parking place and to cover the entire period that the vehicle or trailer is parked in the parking place.

I. Article 37 of the Order was amended with the addition of:

The expiry of the period for which the appropriate charge has been paid shall be where a pay and display ticket has been purchased or payment made by

phone technology scheme, when the time shown on the clock of the issuing ticket machine is later than the expiry time shown on the pay and display ticket displayed or later than the time recorded by the pay by phone technology system.

J. Article 38 of the Order was amended with the addition of:

If at any time while a vehicle is parked in a parking place no pay and display ticket is displayed on that vehicle or no record of pay by phone payment has been made for the vehicle parked, in accordance with the provisions of this order, it shall be deemed that the charge has not been paid.

K. Amend Article 39 of the Order was amended with the addition of:

If at the time when a vehicle is parked during the charging hours in a parking place and the nearest ticket machine in that parking place is out of order, then a ticket shall be obtained from another ticket machine within the same parking place (where provided) or as directed in the parking place. If there are no alternative ticket machines then payment should be made by phone by using the payment by phone technology scheme.

L. Delete Article 40.

M. Delete Article 47.

N. A further definition was added to the Order as follows:

Pay by phone technology scheme: Approved methods of payment for this scheme means can be made by a debit or credit card facilitated by mobile phone, text or phone call via the Pay by phone technology scheme.
