B. Further definitions were added to the Order as follows:

“Electric vehicle” means any vehicle which is propelled entirely or partially by electricity and is capable of being charged from an external source.

“Plug-in electric vehicle” means an electric drive vehicle using one or more electric motors for propulsion which may also contain a combustion engine either for the exclusive use of supplying energy to recharge the power source and/or supplying motive power.

“Plug-in hybrid electric vehicle” means a hybrid vehicle which utilises rechargeable batteries, or another energy storage device that can be restored to full charge by connecting a plug to an external electric power source.

“Electric vehicle charging point” means an installation adjacent to an electric vehicle parking bay for the purpose of recharging the batteries of electric vehicles by way of connecting leads.

“Electric vehicle parking bay” means a bay in an area of the car park provided solely for actively recharging the battery of an plug-in electric vehicle and plug-in hybrid electric vehicle by means of an electric vehicle charging point and defined by means of surface marking for example lines and or symbols and signage within the boundaries of the parking place in the car park that the vehicle has parked in.

Only vehicles of a specified class, for this purpose “specified class” means plug-in electric vehicles or plug-in hybrid vehicles ‘electric vehicles’, may park in the designated electric vehicle parking bay whilst actively recharging, if the vehicle is not of the specified class or is of the specified class but is not actively recharging a contravention occurs.

“Vehicle” means " a motor car, plug-in electric vehicle, plug-in hybrid electric vehicle, motorcycle, light goods vehicle or goods vehicle.

“Car Club” means a community car club or similar organisation including any person or organisation acting on behalf of such club or organisation approved in writing by the council for the purposes of this order.

“Car Club Parking Bay” means a bay in an area of the car park provided solely for the use of an approved car club by the council for leaving the vehicle in the bay and clearly displaying a valid ‘car club permit’, the bay will be defined by lines and or symbols and signage.

“Car Club vehicle” means a mechanically propelled vehicle (excluding a trailer) with three or more wheels not being an invalid carriage or motorcycle provided for by a Car Club or by the Council for the use of persons who have paid for any relevant membership or other car club fee and by means of a real time or advance booking system may have use of the vehicle for a specified period and which clearly displays the permit issued by the council on the dashboard of the vehicle so that all of the relevant details can be read from the outside of the vehicle. A contravention occurs where a vehicle is parked in the car club bays without clearly displaying a valid car club permit issued by the council for that vehicle and that parking place.

“Car Club Permit” means a permit issued by the council to a car club under the provisions of Article 44 of this Order.
