The Council may sell or otherwise dispose of a vehicle which has been, or could at any time be, removed from a parking place pursuant to Articles 40 or 51, if the vehicle appears to have been abandoned, provided that this power of disposal shall not be exercisable unless the Council has taken such of the following steps as are applicable to the vehicle in question, and there has elapsed a period of six weeks beginning with the taking of the first of those steps.

60. Where the vehicle carries a registration mark the Council shall ascertain from the appropriate body the name and address of the person who is the Registered Keeper of the vehicle pursuant to the Vehicles (Excise) Act 1971, unless the Council is satisfied that the true owner of the vehicle has identified himself to it.
61. The Council shall, where it is by virtue of Articles 60, 62 and 63, aware of the name and address of a person who it appears may be the owner of the vehicle, send a Notice to that person at that address stating that it is the intention of the Council to sell or otherwise dispose of the vehicle (which shall be sufficiently described in the Notice) on or after a specified date (which shall not be less than two weeks from the date of the Notice and in any event not earlier than six weeks from the date of the first step taken by the Council under this Part of this Order) unless it is in the meantime removed by or on behalf of that person from such place as is specified by the Council in the said Notice or from such place as may be subsequently notified in writing by the Council to that person.

63. Where a vehicle does not carry a registration mark the first step to be taken by the Council shall be to apply in writing to the Chief Officer of Police in whose area the parking place is situated enquiring whom that officer considers is the owner of the vehicle and the address of that person.
64. The Council shall then make such further enquiries as to ownership as it thinks fit.

65. Upon the sale of a vehicle by the Council, the Council shall apply the proceeds of sale in or towards the satisfaction of any costs incurred by it in connection with the disposal thereof and of any charge or payment to which it is entitled.
66. In the event that any such costs incurred by the Council in connection with the disposal of the vehicle are not satisfied by virtue of the last preceding Article, the Council may recoup those costs from the person who was the owner of the vehicle immediately before it was removed from the parking place, provided that that person was sent by the Council a Notice under Article 61.
67. Any sums received by the Council on a sale of a vehicle shall, after deducting any sum applied thereabouts by virtue of Article 65, be payable within a period of one year from receipt hereof to any person to whom, but for such sale, the vehicle would have belonged and insofar as any such sums are not claimed within the said period they shall be paid into the General Rate Fund of the Council.
