CITY OF YORK COUNCIL
THE YORK (COPPERGATE) (LOCAL BUS PRIORITY)
TRAFFIC ORDER 2012
STATEMENT OF REASONS

City of York Council, in furtherance of their policy of minimising obstruction and congestion and improving road safety and local amenities whilst at the same time balancing residential and commercial considerations, are satisfied that it is desirable to introduce a Local Bus Lane into Coppergate to operate between 7am and 7pm daily with an exemption for loading between 11am and 4pm thereby minimising obstruction to local bus passage (particularly at peak traffic periods) without unreasonably prejudicing the servicing of local business premises.

Coppergate is a common route for many timetabled services and the proposed regulatory control throughout the 7am – 7pm period is considered necessary to minimise obstruction/disruption to services/schedules.

To enforce by conventional means to achieve the necessary levels of driver discipline would place unreasonably high demands on police resources, hence it is intended to enforce the proposed regulations, if confirmed, on a decriminalised basis by means of approved devices (camera number plate recognition).
